		Contractor must be official Microsoft Gold Partner	
		Question	
		Is it acceptable by EULEX that the economic operator has a GOLD or	
		SILVER competency in one ore more competencies of Microsoft?	
		Reasoning	
		Based on the information that we have, and our experience, we know that	
		Microsoft doesn't offer the opportunity to be GOLD, SILVER as a Partner	
		for whole Microsoft portfolio anymore, but they do offer the opportunity to	
		be GOLD, SILVER on one of the following competencies that can be found

		Since on the tender dossier it is requested to have a minimum of 3 MCSE
