<p><u>CORRIGENDUM No. 1</u></p>

Framework Contract for the Supply of Drinking Water No: II.

References: PROC/150/09/ Drinking Water FWC II (*EuropeAid/129185/D/SUP/XK*)

In addition to this corrigendum, please note that the minutes of the clarification meeting held on 19/10/2009 are also published on EULEX Website.

1. The following amendments were made to the "Tender Dossier", see in particular the Technical Specifications (Annex II+III).

Any reference in the Tender Dossier to "19.5. litres bottled containers" shall be read as

19.5. litres (+ or – 1.5 litre) bottled containers".

I.e .water containers may have a capacity from 18 to 21 litres as long as they are fully compatible with the water dispensers.

Please note that the unit price to be quoted in the financial offer remains **"unit- price per litre of water"** independently of the capacity of the water containers".
