1. Questions regarding Instruction to Tenderers

No	Question	Answer
1	Considering that iron and copper price are gradually and time to time increasing in the market, and there are quite many positions on the project of this composition, please tell us how this will be handled, whether stock-market will be followed, in order to have the proper increase of prices for these products?	<p>Tenders are reminded about the Article 12.1 of the Instructions to Tenderers:</p> <p><i>“Tenderers will be deemed to have satisfied themselves, before submitting their tender(s), as to (its)(their) correctness and completeness, to have taken account of all that is required for the full and proper execution of the contract and to have included all costs in their rates and prices”</i></p> <p>Tenderers are encouraged to have taken account of all that is required for the full and proper execution of the contract and to have included all costs in their financial offers.</p>
