The site visit related to the tender for the “**Supply of Containerized Data Center**” took place on 2 June 2011 at 11:00hrs at EULEX Main Warehouse Compound, Bay 1, 10000 Pristina, Kosovo.

Representatives of twelve (12) companies attended the site visit.

EULEX Procurement Section opened the meeting and reminded the attendees about procedural rules and the deadline for request for any clarification from the Contracting Authority (i.e. 8 June at 18:00hrs).

Representatives of companies had the opportunity to visit the walk through the compound where the containerized data centre would be placed.

EULEX Chief of Information Technology briefed all present about the project requirements. He further informed that no electricity layout is available and there are no specific requirements, however tenderers were suggested that the power cable is placed in the middle of the container close to a UPS.

Tenderers were reminded of Article 20.6 of the Instructions to Tenderers:

“20.6 Award criteria

The sole award criterion will be the price. The contract will be awarded to the lowest compliant tender.”

All other questions raised in the site visit are covered in the Clarifications no. 1 and Corrigendum No. 2.
