Questions regarding Tender Dossier

No	ITEM	Question	Answer
1		I want to know if it is possible to pay the Tender guarantee, into yours account, in order to skip a heavy procedure with our bank. Due to political issue (Romania doesn't recognize KOSOVO, it is very hard to get guarantee letter from our national financial authority. And also, if it's possible, please give us all the necessary details (SWIFT and IBAN code for EURO account. Also, give us a dead line for paying it and establish a reimbursing procedure in the case of losing this tender.	<p><u>In accordance with article 22 Tender guarantee</u></p> <p>The tender guarantee referred to in Article 11 above is set at 1,300.00 Euro (one thousand and three hundred Euros) and must be presented in the form specified in the annex to the tender dossier.</p> <p>Please be informed that the above mentioned article explains the EULEX procurement procedures related to the tender guarantee.</p> <p>No other means of guarantee will be accepted with regards to this tendering process.</p>
		Article 26, Methods of payment. Please detail a little bit the pre-financing procedures and please tell us if it could be possible that the supplied equipment's or goods deposit on site, and inspected by the contracting authority on site could be considered as a guarantee for pre-financing.	<p>The awarded company is entitled to 60% on each purchase order issued by contracting authority, but you must provide a pre-financing guarantee issued by a financial institution, using the template attached in the tender dossier.</p> <p>Please note that there is no obligation to request pre-financing, in which case the payments will take place after the provisional acceptance of supplies.</p>
		Article 28. For all supplies that are imported into country of the Contracting Authority, all duties and taxes applicable to their importation, including VAT shall	<p>As indicated in article 3.4 of the tender dossier:</p> <p>EULEX Kosovo is a diplomatic mission and based on UNMIK Executive Decision</p>

		<p>be excluded. Do you have an agreement with local authorities to be excepted from paying any Customs fee or any other taxes for imported good from EU to Kosovo. And if so, please provide us the procedure and specific customs registration forms.</p>	<p>No 2008/36 of 9 December 2008, it is granted exemption from all customs duties, taxes, and related charges other than charges for storage, cartage and similar services, on articles for its official use.</p> <p>The awarded tenderer will be provided with the procedural details.</p>
		<p>If I finish work earlier, I will receive bonus?</p>	<p>In accordance with article 6.c of Procurement notice please be informed that Deliveries of items shall take place <u>within</u> 60 (sixty) days after the receipt by the contractor of a “purchase order”.</p> <p>There are no bonuses applied to deliveries and/or any other aspects of the contract.</p>
		<p>There is miscellaneous cost in this tender? After contract is completed, the tender is going to pay for utilities (water, electricity, site depositing etc).</p>	<p>The Contractor shall be responsible for all costs related to temporary power, light and telephone services as required for the completion of their work, for the duration of the contract implementation period.</p> <p>For excavations/waste: excavation by-products/ debris and waste material resulting from works shall be disposed of by Contractor, at no extra cost, in accordance with the applicable regulations and bylaws.</p>
		<p>If there are some materials or works that are not in the ANNEX IV or III like “flange pipe connection to the city's drinking water or tees, elbows, connection elements”, the contracting authority will pay them separately or I must quote them in article 14.4 14.5 and 15.1 15.2.</p>	<p>The fittings and accessories as needed must be quoted here 14.4, 14.5 and 15.1, 15.2.</p>
