**1. Technical questions**

No	Reference	Clarifications
1.	Where will the demolished material be deposited (Wood beams, Sheet, etc.)	<p>With reference to Tender Dossier, Volume 3 Technical Specifications, point 2.3 Final Clearance,</p> <p><i>“Upon completion of each section of the Works, the Contractor shall clean up the site; remove all temporary buildings, plant if any, and remove debris. He shall level off and fine grade all excavated materials which is surplus to requirements. The whole of the site shall be left in a clean and Workmanlike condition to the satisfaction of the Supervisor”.</i></p> <p>The Contractor is obliged to transport any debris to an authorized disposal site. Identification of these sites is the responsibility of the Contractor.</p> <p>Additionally, please be advised that the Tender Dossier, Volume 4.3.2 – Bill of Quantities, also clearly states the obligations of the Contractor to dismantle and/or dispose of, where applicable..</p>
2.	Could you please send us some photos and technical specifications for the kitchen equipment which will be placed in the new kitchen	<p>Please refer to Annex 1, <b>Kitchen appliances to be reused</b> of this document for photographs of the relevant items.</p>
